**The Book of Acts 2:44-47 tells us:** *And all the believers met together constantly and shared everything they had. They sold their possessions and shared the proceeds with those in need. They worshiped together at the Temple each day, met in homes for the Lord's Supper, and shared their meals with great joy and generosity – all the while praising God and enjoying the goodwill of all the people. And each day the Lord added to their group those who were being saved.*

If you had to describe what Worship looks like, many would focus on sitting in a Sanctuary on Sunday morning...and that is a good thing. Young Disciples, however, take Worship to another level or to the level set out in the Book of Acts. Holding hands while praying, sharing everything from snacks to clothes and knowing that even in the game of Twister – landing on the color Blue was the signal to shout out “Hallelujah”. Worship is a non-stop, fits into every situation thing. It should be a sign of great joy, of celebration and of genuinely caring for the needs, feelings and well-being of those around you.

From Sunday Morning Worship in the little Chapel at Camp Tejas to a game of “Can you Hear the Words of God over all the other voices” Obstacle Course on the Back Porch of our house, a retreat can bring a group together in Christian Fellowship that would otherwise not be possible.

Sunday School, Youth, VBS, Retreats, Christian Concerts, Day Trips to the Escape House or Long Mission Trips with MPact are what Worship looks like. The support of our Church for these events, whether through financial funding, volunteering to teach, travel or simply cook a meal, demonstrates *enjoying the goodwill of all the people.*
